PETITION: THREAT TO LIFE, HARRASSMENT & ASSAULT AGAINST DOMINIC MOK etc.

Dear Sir,

My name is Anabuike Ifeanyi Caffrey, I live at No: 12/14 Tanimowo Street, Off Ishaga Close, Mushin, Lagos. On the 21st of July 2024 I was approached aggressively by dominic mok, who claims to be the brother to my landlord (FRANCIS MOK). Dominic, with whom I have spoken with earlier concerning my tenancy months ago, suddenly started demanding that I give him the exact date of my leaving the house. I responded by telling him to get whatever information he required from his brother my Landlord. He (Dominic) immediately got angry and in his words said "YOU HAVE TO LEAVE THIS HOUSE" & "WE NOW HAVE A PROBLEM". Unknown to me, as I was outside cleaning my car..getting ready for the days job. Dominic went into the house and broke into my bedroom, demolished my properties, and left.

After dominic left, my Landlord (Mr Francis Mok), came to me & started pleading on his behalf. For his ferocious rascality. And that is why we have come to present our case to the awareness of the Police, so he is called to order, as I will have to defend myself & my properties should such repeat itself.

Yours Faithfully

Anabuike Ifeanyi Caffery
